

# 2011 Volunteer Opportunities

*Get Involved in the Alamance County Area Chamber of Commerce and get the most from your membership.*

## Help Your Business...Help Alamance County

The chamber accomplishes its annual Program of Work through the activities of four areas: Community Development, Economic Action, Government Liaison, and Membership Development. Each area is led by a volunteer Vice Chairperson and consists of several committees. Serving on a chamber committee is an exceptional and effective way to network with business professionals while helping your business and our community. Please consider joining one of the 2011 groups and becoming a chamber volunteer.

Below is a listing of the current committees of the chamber. For an in-depth description of the duties of these groups, please refer to our Program of Work. Each committee is chaired by a volunteer and assisted by a chamber staff member. Please take a moment to indicate your interests below. You will be contacted by either the committee chair or a chamber staff member regarding committee meeting dates and times. Thank you for your interest in the chamber. We look forward to hearing from you.
