

Speakers Bureau Volunteer Form

Through the Chamber's Speakers Bureau, representatives from the business community volunteer to speak to area students about specialized subjects. Students enjoy hearing first-hand from people who work in different career fields about their area of expertise. The chamber keeps an ongoing list of topics from which teachers may choose and facilitates the scheduling of classroom speakers. If you or anyone in your company is willing to be a resource for our teachers, please take a minute to fill out the volunteer form. You may return the form by fax or mail using the information below.

Name: _____

Company/Organization: _____

Position: _____

Mailing Address: _____

Phone: _____ Fax: _____
