

# Leadership Alamance Nomination Form

Leadership Alamance seeks to identify individuals most likely to utilize their leadership capacities in community service for the long-term benefit of Alamance County. The quality of the participants is the primary strength of the program. Each year approximately 25 diverse students representing the public, private and nonprofit sectors of the community are selected for the program. They must display leadership potential and express commitment to learn and effect change in Alamance County. Participants must have full support of their employer or sponsoring organization. Students are required to devote a minimum of two days for a fall retreat and the third Thursday of each month from September through May. Prior to each session, students must complete a prerequisite determined by the steering committee. Before graduation day, students must carry out a community project determined by their fellow classmates. Those who are unable to make the entire time commitment should not be nominated. Fax nomination forms to 336-228-1330 or email them to [barbaramassey@alamancechamber.com](mailto:barbaramassey@alamancechamber.com). Nomination forms are due by Friday, June 24, 2011.
