

## ***Tuesday Tours for Teachers*** **Volunteer Form**

**Linking the world of work and the world of education!**

The Alamance County Area Chamber of Commerce partners with the Alamance-Burlington School System to give teachers an opportunity to see Alamance County at work. Two-hour tours take place from 4:00-6:00 p.m. on the third Tuesday of each month during the school year. The host company provides refreshments or a light meal. During the first hour of the visit, approximately 15 educators tour the host facility. The second hour is dedicated to a discussion between tour participants and company representatives about the range of employment opportunities and the skills and training needed for those jobs. This information helps teachers relate curriculum to real world experiences.

The Tuesday Tour program has received outstanding reviews from educators and companies alike. You can help shape our future work force by volunteering to host a tour. Tour dates for the 2007-2008 school year are:
