

## **Ribbon Cutting Event Agreement**

Opening or relocating a business is a very exciting time, and the Alamance Chamber is pleased to provide the planning and marketing for your Ribbon Cutting Event. Ribbon Cuttings can be scheduled during business days from 9:00 a.m. - 4:00 p.m. Please consider the items listed below during this time of planning. **Members must be current in dues during the planning and implementation of the event.** 

**Cost:** Chamber members in the Executive, President, and Chairman level membership tiers are eligible for a complimentary ribbon cutting or groundbreaking event annually. Chamber members in the Business level tier will incur a \$100 fee for a ribbon cutting or groundbreaking event.

**Planning:** Chamber staff will contact city and county elected officials, and chamber volunteers. For this reason, we ask for at least two weeks to coordinate schedules.

## Your business provides:

- Short biography of your organization
- Directions to your business
- Name/title of contact who will speak on behalf of the business during the event
- \* It is also encouraged that you provide refreshments for guests at the event.

## The Chamber provides:

- Sound system
- Camera
- Ribbon
- Large Scissors
- Copies of an agenda to pass out to guests at the event

**Marketing:** The Chamber will publicize the ribbon cutting on their website under the Events Calendar. We will also send an e-mail invitation to our board members and ambassadors. A photo from the event will be posted on the Chamber's website, the Chamber Connection publication, and on the Chamber's Facebook page.
